Dear Friend,

Dr. Oliver Jones extends a warm invitation to you to join him at our 3rd annual **Golf Tournament** to be held at the held on **Friday, August 11th, 2017** at the Club de Golf Atlantide (2201 Boulevard Don-Quichotte).

By supporting this event, you are helping Dr. Jones continue his life's mission of giving back to the Montreal community, which includes historical institutions such as the Union United.

Last year's event was a resounding success, and this year promises to be even bigger and better. The tournament is open to golfers and non-golfers alike because we guarantee a great afternoon of golf, food, fun and prizes.

The cost of the golf tournament is \$180.00 (tax receipt, thanks to Union United), which includes breakfast, golf, cart, cocktail, supper, on-course refreshments, care packages, and much more. If you prefer not to golf you can still join us for dinner only

All golfers will receive a care package full of goodies and chances to win one of three golf get-away packages (auction) to Myrtle Beach, Florida and the Bahamas. This year the auction includes a private performance for 15 people by none other than Oliver Jones himself.
